

TransFunds

Investment Banking

For Immediate Release

Alex Winant, President of *TransFunds Investment Banking*, is pleased to announce that the specialized, heavy haul flat deck carrier *D Norman Campbell Trucking Ltd.* has been acquired by a large Canadian corporate carrier who wishes to remain anonymous for strategic reasons. TransFunds acted on behalf of both the buyer and the seller.

Dan Campbell, President of
D Norman Campbell Trucking Ltd. simply said:

"If it were not for the professionalism, industry knowledge and skill of the personnel at *TransFunds Investment Banking*, this transaction would not have been possible."

We would like to note that all drivers and all clients have been successfully retained and that the integration of both companies has been seamless.

At *TransFunds Investment Banking*, our role is to provide customized solutions for transportation business owners and/or shareholders to both maximize value and achieve personal and corporate goals. We are the largest and most successful firm in Canada that assists transportation owners in monetizing their investment in their transportation company by selling or assisting owners in growing the sales, cash flow and enterprise value of their firm by strategic acquisition.

For a confidential evaluation of your company's strategic direction, please call:
